

DURAVIN+

Description

Finally you will have the opportunity to create a unique drink by opening any bottle for a "by the glass" service.

The new range allows you to significantly increase the quality of your service both with regard to wines and other alcoholic drinks such as beer, cocktails, etc.. Your great wines and your champagne can be finally served by the glass with unprecedented preservation and not sacrificing a traditional service presentation of your bottles.

- Still and sparkling wines longlasting preservation
- Freeze your glasses in a few seconds
- Sterilize your glasses up to 90%
